

Converging Shoulder Press

G7-S23

- Independent converging arm movements provide a natural path of motion and increased exercise variety
- Dual-position hand grips allow for greater training variety
- Action Specific Grips provide greater comfort and minimal point pressure
- Counterbalanced pressing arm provides optimal starting resistance
- Reclining seat position allows for better posture and back support
- The optional Intelligent Training Console features Endurance, Build and Strength programs to give members a guided training experience specific to their goals
